Fetal echo and assessments.

- Echocardiograms done at the referring physician's institution. The order needs to indicate the Echo is to be read by WFUMBC. The Echo can be transmitted using the Telemedicine program or couriered to be read the same day if received prior to 5 p.m. The results will be sent via Medport to the referring physicians fax machine. Additional telemedicine sites are at Highpoint, Lake Norman, Randolph and Morehead Hospitals.
- 12 Lead EKGs done in office (with a written agreement) can be faxed to 336.713.0533 and a written report will be faxed back the same day if received prior to 5 p.m.
- Please fax all patient information prior to the scheduled visit. Fax number: 336-713-4550.

***A clinic day may be cancelled due to holiday, faculty vacation or faculty continuing medical education.**
