### CHILD LIFE DEPARTMENT HOLIDAY WISH LIST

Thank you for your interest in donating for Christmas. Without you, the magical Christmas morning would not happen for every child at Brenner on Christmas day.

The Child Life Department serves all pediatric patients and normalizes the hospital environment by celebrating holidays and birthdays, operating playrooms and a teen room, as well as coordinating special events. Any gifts remaining after Christmas will be used to support these other programs.

All items must be newly purchased or you may make a monetary donation to the Child Life fund. We request that all deliveries be made by December 18th in order for the elves to get Santa's bags packed. We appreciate your generosity and see the delight of those who receive.

We wish you a wonderful holiday season.

To schedule delivery please call:
